Kim nominated Pauli Iida as the APC student rep for K-2 and Matt Strobel for the APC parent rep for K-2. Kathy Vogl seconded and the motion passed unanimously.

In conjunction with sharing the school improvement plan, Kiki demonstrated how the Inter-relational Digraph works as a method to develop our goals, roots and plans. She used low enrollment for the issue and we worked our way through the digraph to see how it could get to the root of an issue.

Kiki gave a budget overview.

Kim asked if there was interest in having a booth at the Farmer’s Market to sell quilt raffle tickets. It was agreed by Kim, Shawnisty, and Gary that it was a good idea. Gary donated the \$20 fee.
