

Fireweed Academy Newsletter

April 14, 2014

Monday Math Club:

Math Club will continue through the rest of the year.

Request for Tee Shirts:

Mahan Woods would like to teach our kids some fun tie-dye techniques as a project this spring. We would like for each student to bring in a white tee shirt (preferably 100% cotton). We have a few weeks before we need the Tee Shirts. Let me know if this is an impossible feat and we will find a way to get your child a tee shirt.

Spring Field Trips:

May 7, 8, 9: 2nd, 3rd, 4th and 5th grade students from Big Fireweed: Yukon Island (2 overnights)

May 6, 7, 8, 9: 6th grade students: Swanson Lakes

More information and permission slips will be sent home this week via hard copy and email.

The sixth graders are covered (for chaperones) for the 6th grade field trip.

AASB SURVEY:

Our district is scheduled to participate in the School Climate and Connectedness Survey (SCCS) for students in grades 5-6. We do this every year. It is an online survey. You will be getting a parent info letter regarding this via email. You may opt your student out of this survey. If you wish to do so, please contact Kiki.

Open Enrollment: Open enrollment is done but we still have space for more students so let your friends and neighbors know....it's not too late. Have them call me-Janet 235-9728

Upcoming 2nd grade -6th grade Big Fireweed Dates: Mark your calendars!
