

Fireweed Academy Newsletter

April 28, 2014

Step up day:

The 2nd grade students from Little Fireweed will be visiting the West Campus today for a preview of what is to come. We will be welcoming students with songs, activities, stories...

Monday Math Club:

Math Club will continue for the following Mondays: April 28th, May 5th, May 12th, and May 19th

Request for T-Shirts:

Mahan Woods would like to teach our kids some fun tie-dye techniques as a project this spring. We would like for each student to bring in a white tee shirt (preferably 100% cotton). You can pick something up at Salvation Army or Pick and Pay. It is ok if there are stains on the shirt or if it is printed with a school appropriate print. It is important to get these in ASAP so we can start.

Spring Field Trips: Trips are next week get your gear together!

May 7, 8, 9: 2nd, 3rd, 4th and 5th grade students from Big Fireweed: Yukon Island (2 overnights)

May 6, 7, 8, 9: 6th grade students: Swanson Lakes

Both trips are covered (for chaperones). Thank you to all who expressed interest!

AASB SURVEY:

Our district is scheduled to participate in the School Climate and Connectedness Survey (SCCS) for students in grades 5-6. We do this every year. It is an online survey. You will be getting a parent info letter regarding this via email. You may opt your student out of this survey. If you wish to do so, please contact Kiki.

Open Enrollment: Open enrollment is done but we still have space for more students so let your friends and neighbors know....it's not too late. Have them call me-Janet 235-9728
