

Fireweed Academy Newsletter

May 12, 2014

Monday Math Club:

Math Club will continue for the following Mondays: May 12th, and May 19th

Request for T-Shirts:

Mahan Woods would like to teach our kids some fun tie-dye techniques as a project on Wednesday. We would like for each student to bring in a white tee shirt (preferably 100% cotton) by tomorrow (Tuesday May 13). You can pick something up at Salvation Army or Pick and Pay. It is ok if there are stains on the shirt or if it is printed with a school appropriate print.

Spring Field Trips: Kiki has honey bees at her house... two hives. All parents and students should know this ahead of time. The hives are located in an area that is fenced off with a 5 foot high plastic sheeting barrier. However they are very active, especially with this warm weather we are having. For the field trip on Tuesday, May 20th, all students should bring a water bottle, lunch, coat and good walking shoes. We will be walking a mile from the North Fork Road into the house and back out to the bus. Fireweed is providing ice cream sundaes and students can purchase additional toppings with gryphs.

Open Enrollment: Open enrollment is done but we still have space for more students so let your friends and neighbors know....it's not too late. Have them call me-Janet 235-9728

Upcoming 2nd grade -6th grade Big Fireweed Dates: Mark your calendars!

May 19 th	2pm 6 th grade promotion-WHE Gym
May 20 th	all School fieldtrip to Kiki's
