

# Fireweed Academy Newsletter

November 4, 2013

**Fresh Oranges Fundraiser Kick-off:** Last week I sent home an email regarding our fresh oranges fundraiser. Today your kids will be coming home with the order pack. There are three pieces to the packet, an info sheet, an order form and an envelope for the money. Please remember that all orders are pre-paid. Checks would be best, written to Fireweed Academy Charter School. All forms must be returned to school NO LATER THAN November 18<sup>th</sup>. We are shooting for a December 4<sup>th</sup> delivery, give or take a day! . If you have any questions, feel free to call me at 235-9728-Janet

**New Theme - Communication:** We are always on the look-out for ideas related to the current theme. You might think of an interesting area to explore, an idea for a field trip, or a guest that connects to our theme. Let us know!

**Islands and Oceans Discovery Lab:** 5<sup>th</sup> and 6<sup>th</sup> graders are heavy into non-fiction reading for this projection. We are carefully examining difficult words and concepts as well as differentiating fact and opinion. Still looking for folks' experiences of the spill and clean-up efforts, or work in a related industry now, please consider sharing your experience with the class.

**Early Release days Collaboration:** On our early release days teachers are collaborating to examine, brainstorm and implement ideas for transitioning to the new state standards. We hope you will notice a shift to more non-fiction reading and writing as the year progresses and welcome your feedback.

**Quilt raffle:** We are getting down to the last few weeks-if you have not bought your quilt raffle tickets yes, now is the time. Fireweed parent Jo Dempsey will be at Safeway selling tickets on November 5<sup>th</sup> and 12<sup>th</sup> from about 9:30 until 2:30. If you would like to help out, call her at 235-4759. She has the quilt and the tickets and is ready to sell you some or give you some to sell!

**Notes from the Nurse for November : Is It a Cold or the Flu?**

The flu has slowly arrived in Homer. Across the nation, it has been a mild flu season so far. The symptoms between the common cold and the "flu" can have some similarities and can be confusing. The cold and flu are both respiratory illnesses, but they are caused by different types of viruses with different symptoms. Use this chart to learn the difference between the two.

<b><u>Signs and Symptoms</u></b>	<b><u>Influenza</u></b>	<b><u>Cold</u></b>
<b>Symptom onset</b>	Abrupt	Gradual
<b>Fever</b>	Usual; lasts 3-4 days	Rare
<b>Aches</b>	Usual; often severe	Slight
<b>Chills</b>	Fairly common	Uncommon
<b>Fatigue, weakness</b>	Usual	Sometimes
<b>Sneezing</b>	Sometimes	Common
<b>Stuffy nose</b>	Sometimes	Common
<b>Sore throat</b>	Sometimes	Common
<b>Chest discomfort, cough</b>	Common; can be severe	Mild to moderate; hacking cough
<b>Headache</b>	Common	Rare

(chart from [www.flufacts.com](http://www.flufacts.com))

Antibiotics do not work with the common cold or the flu. Rest, fluids, and good nutrition are the best treatments for both. If you suspect your child has the flu, he/she should stay home from school AND sports for rest and care.

Prevention is the key. Stay away from sick people. Stay home if you are sick. Sneeze and cough into your sleeve. Get adequate sleep. Drink plenty of water. Eat healthy food. And remember-wash, wash, wash your hands! Flu shots are available at all health care providers in Homer.

Wishing you a healthy November! Your school nurse, Laura Peek, RN
