

3rd-6th Fireweed Academy Newsletter

January 12, 2015

Invention Theme:

Last week we launched our Invention Theme. During this quarter, students will be brainstorming ideas, experimenting with simple machines, keeping journal notes, revising ideas, drawing blue prints, filing for patents...

On March 4th students will participate in an invention convention during the school day. We will be informing students and families (via an invention convention information packet) of the expectations and timelines by the end of the week.

Afterschool Math Club:

Math club will continue this semester. Students will meet in Kris' room.

Linked Up Symphony Orchestra:

3rd, 4th, 5th and 6th grade students have been learning songs to sing and songs to play on the recorder in preparation for the opportunity to participate in January 30th's evening Symphony Orchestra performance at the Mariner Theater. Interested students need to let Stephanie know if he or she will like to participate. An information packet will hopefully go out later this week.

From the District

The Kenai Peninsula Borough School District is holding a Public Budget Meeting on Tuesday, February 24, 2015 at 5:30 p.m. in the Homer High School library. Everyone interested is encouraged to attend. If there are questions, please contact Lassie Nelson at 714-8838.
