## HAPPENINGS

### Dr. Seuss Day on Wednesday!

Fun will abound as we celebrate this well-loved children's author's birthday! If you have Dr. Seuss books at home to share, bring them in with your name on it!!!

### APC Meeting on Monday 7<sup>th</sup> at Big Fireweed at 4:30 PM

On the agenda: Admin. & budget reports, strategic planning committee reports, PR events, FY17 staffing, enrollment & budget discussion. Sounds a little dry but come join us anyways, we have fun while planning for the future of our school.

### \*\* JOIN US AT BIG FIREWEED FOR THE 2016 STRUCTURES EXPO 1:30-2:30pm \*\*

Come see the Roman Coliseum, the Taj Mahal, Machu Pichu, and Eiffel Tower at this year's culminating event for our theme about structures. The EXPO is held in the shared gymnasium at Big Fireweed/West Homer.

### SWIM WEEK IS COMING...MAR. 7-10

**PLEASE LET YOUR HOMEROOM TEACHER KNOW THE  
SWIM LEVEL OF YOUR CHILD!**

(Beginner - developing comfort in the water, Intermediate - can put face/head into or under water and blow bubbles, or Advanced - can swim the width of the pool or further without touching the bottom, or can 'bob across')

**\*Check your schedule to see if you can help us out in the water or in the locker rooms.** We will have two sessions each day at 1:00-1:45 and 1:45-2:30. We can't wait!!

- Please be prepared to send a swimming suit, a towel, goggles, and an after-swim snack with your child.

**Yurt Village Field Trip- It was fantastic!**

**OPEN ENROLLMENT for 2016-2017**

**\*\*TODAY is the final day of our February enrollment period\*\***

A note from Janet:

- I am still missing some Intent to Enroll forms from some current students. I have sent emails and Robo calls... If you haven't sent yours in for next year, please do so right away. We need these as we work on our staffing for the fall.
- **We still have space for next year, spread the word!**

**SALMON DISSECTION!**

On Monday, instead of workshops, we were fortunate enough to have Mike Booz, Biologist from the AK Dept. of Fish and Game, visit the yurt to review and observe the marvelous salmon, both inside and out! Thanks, Mike, for this great opportunity to engage in hands-on learning about an important local resource!
