OPEN ENROLLMENT for FY17

Be sure to get your Intent to Enroll forms to Janet to ensure your student's place at Fireweed for next year. Forms were sent home via email last week. Our best advertisement for new students is word of mouth so let your friends and neighbors know about Fireweed. Call Janet if you have any questions.

EARTHQUAKES AND PREPAREDNESS

Our students were 'a-buzz' with stories of personal experiences or 'news' they acquired related to Sunday's earthquake. Not to miss a learning opportunity, we met together to build understanding of earthquakes from the standpoint of plate tectonics, and to re-visit earthquake preparedness involving duck-cover and hold, and evacuating the building until it is cleared for us to return. We watched a great 'kid-sized' video on the mechanics of an earthquake and the structures of the planet that make them happen, then we watched our own PSA on earthquake safety. Finally, we conducted an earthquake drill to build muscle-memory around ducking, covering, holding and then evacuating. We are prepared.

STUDENT-LED PARENT TEACHER CONFERENCES

There will be no school on Thursday and Friday, Feb. 4-5, instead we will hold the student-led parent teacher conferences. Please call Janet at 235-9728 to schedule your conference.

Coming in February! OUR AMAZING OCEAN!

Big Fireweed students have been invited by Jessica Shepherd to monitor the craft table at the next Discovery Lab at the Islands and Oceans visitor center from 3:00 -5:00 on Wednesday, February 3rd. The Subject of this Public Discovery Lab is *Our Amazing Ocean*. "At this family friendly Discovery Lab examine some of the remarkable creatures that inhabit the ocean, explore how currents, volcanoes and earthquakes shape our shorelines and learn why the ocean is so important to a habitable world." We hope that the families of Little Fireweed students will attend!
