WELCOME BACK TO SCHOOL!

First Days of School

Welcome back Fireweed students and families! Also, welcome new students and families to the Fireweed community. The first day of school was packed full of excitement, learning, and community building activities. In the afternoon the 3rd-6th grade students met in Hannah's room. They went over whole group procedures and expectations. The older students were great role models for the new students. We then spent time outside doing a few community building activities. The students had to work together and communicate to complete the activities presented by Kris and Hannah. It was a great first day!

Karen Hornaday Park

On Friday (tomorrow!) Big Fireweed and Little Fireweed will be meeting at Karen Hornaday Park for a picnic to celebrate the upcoming school year. A permission slip went home with your student yesterday. Please sign and return to school by Friday morning to their homeroom teacher. It will be a great opportunity to meet new students, families, and teachers. Families are welcomed and encouraged to come. It's a potluck style picnic so feel free to bring a dish to pass. Jon Kulhanek (Little Fireweed teacher) will provide salmon that he caught on his boat this summer!

*We are also looking for two grill masters. All you have to do is watch the salmon sizzle until ready!
