HAPPENINGS

The Weather isn't the only 'mush-y' thing around here...

We were visited last week by Eric Pederson (Paul Banks principal), his daughter Addie and one of their sled dogs, Ozone, for an introduction to travel by dog sled. We learned about harnesses and leads, sleds, voice commands and stories of challenges using this form of transportation. The finale was a demonstration of sledding on our dry, snowless playground. Ozone impressed us with his power and personality. Addie also shared her knowledge of mushing. By the way, "mush!", far from being the command for a team to start pulling, actually means "go away". Instead, 'hike' means go, gee means go right and haw means go left. Thank you Eric, Addie and Ozone!

CALLING ALL BAKERS!!!

We need cookies, and this seems a good time of the year to ask!! On **THURSDAY** we are having a Pajama Day/Student Holiday Cookie Celebration. We could use some trays of cookies to go with our hot cocoa. If you are in the holiday baking spirit and could donate some for our pre-holiday celebration, please let a teacher know. We would like them in the morning that day. Thank you!

NITTY GRITTY INFORMATION

Please check your child's extra clothing supply at school to be certain that they have a full change available. Wet weather might mean a change is needed. Also, a quick check for seasonal appropriateness of clothing is a good idea!

THINGS WE NEED

- Silverware is needed...Our supply of flatware continues to dwindle...If you have a surplus at home or can thrift store shop for us we would appreciate it very much!
