HAPPENINGS

THEME GROUP ACTION!!

Spinning and twirling, attracting and repelling, glazing and firing... never a dull moment around here when *forces* are afoot!

Recycled Book Exchange!

Looking for donated children's books!

Our K-2 campus will be holding a recycled book exchange on Friday, December 14, from 2:30 - 3:30 (during and after school). We need your help in order for this to happen.

We're looking for families to sort through their bookshelves and look for children's books that are no longer used or useful for your family. Please donate these books to our book exchange. Students and families can then go 'shopping' for 'new to them' books.

Any questions? Please see Betsy Vanek.

NITTY GRITTY INFORMATION

Friendly Reminders...

- When you take your child from school, please check out with your child's homeroom teacher. They **need** to be informed. Folks often take their child from the theme room group and the Homeroom teacher has no idea, so please help us with this.
- Hot Lunch Count is taken first thing in the morning. If you want your kiddo to have hot lunch AND you are going to be late to school call us **BEFORE 10 AM.**

Needed:

- **Used Holiday cards:** Send in any you have to Deb for an upcoming project.

- **Gallon-Size Ice Cream Buckets Needed:** Please bring any you have to Deb. I know some have them, just remember to bring them!
- **Donated children's books** for Recycled Book Exchange - Dec. 14th
Thanks!!
- If anyone has a strong leaf blower, to blow the pig houses down, could we please use it this Friday? Let Ms. Deb know if you have one please.

HEARTY THANK YOU'S

- Roy Whiteside for changing our outside light bulbs. It's great to have tall dads for tasks such as this.
